BY

Messrs. BANGS, MERWIN & CO.,

656 BROADWAY, NEW YORK,

On **FRIDAY, 27th NOVEMBER, 1874,**

COMMENCING AT FOUR O'CLOCK, P. M.

Catalogued by EDWARD COGAN.

Orders executed by the Auctioneers; JOHN W. HASELTINE, 1225 Chestnut Street, and
J. W. KLINE, 12 South Eighth Street, Philadelphia; H. G. SAMPSON, corner
of Fulton Street and Broadway, New York; or by EDWARD
COGAN, No. 408 State Street, Brooklyn, N. Y.

New York:

CHARLES C. SHELLEY, STEAM BOOK AND JOB PRINTER,
68 BARCLAY STREET.

1874.

BROOKLYN, 29th Oct. 1874.

I beg respectfully to call the attention of Collectors to the fact of its being very necessary, when sending their orders, that they look to the date of the Sale, and make sure the letter will reach me by the *early* mail of the morning of the 27th November, as after *that* both my son and myself are to be found at the Auctioneers. It would be safer when so very near the time of sale, to address to the care of the Auctioneers, as several important orders failed to reach me at the two last sales in time to be executed.

I also suggest that no bills, or even *currency*, be sent in payment, unless in a registered letter, which only costs eight cents in addition to the postage. Three cases have occurred within the last month where the parties have lost their money by sending without the registration fee.

Faithfully,

EDWARD COGAN.

AMERICAN SILVER DOLLARS.

- x^cx 96 1794 This, in my opinion, is about the best impression that has
 (6) ever been offered at auction. It is but little circulated
 and exceedingly rare in this condition
 97 1795 Beautiful uncirculated coin *If finest NAS.*
 98 1799 Only 5 stars facing. Rarely found in such good preservation
 for this type. Rare *dy*
 99 1804 This Dollar I guarantee is original and a remarkably fine
 impression, and is known to be one of, if not the *most* rare
 piece in the American series, not more than four or five
 being known to collectors in the United States
 x x 100 1851 ⁽⁶⁾ Beautiful proof. Very desirable and greatly in demand
 x x 101 1853 ⁽⁵⁾ Fine proof. Said to be only twelve struck. Very scarce.

341 Abraham Lincoln. Presidential Medal in *Silver*. Exceedingly rare in this metal. The only one I have seen. I had this Medal struck in the Mint for Mr. Sanford at a very high cost 48

342 "Abraham Lincoln President of the United States." Head to right, "born Feb. 12th, 1809, died assassinated April 15th, 1865." Rev. "With malice towards none with charity for all," 4th March 1865; in the centre in a circle, "Abolition of Slavery proclaimed Sept. 22nd, 1862." A beautiful bronze proof Swiss Republican Medal. Exceedingly scarce 38

343 "General U. S. Grant". Head to left. Swiss Republican Medal. Fine bronze proof 38

344 "General U. S. Grant." Head three-quarter face looking right; Hugues Bovy fecit Geneve (Suisse). Rev. "I intend to fight it out on this line if it takes all summer;" in the centre, "Patient of toil, serene amidst alarms, inflexible in faith, invincible in arms." This was the first Medal of Grant struck by the Swiss Republican Club, and not being satisfactory the die was destroyed and another substituted which is noticed in the preceding lot. I have been particular in describing every thing on this Medal as I do not know of another in this country and it must be *exceedingly* rare. Bronzed proof 38

345 Cyrus Field. Bust to left; a hand from the clouds holding wreath over the bust; "Honor and Fame are the reward;" the sea, and ship and steamer going and returning; on the left half-globe "America," on the right "Europe;" in Exergue, "Indomitable perseverance and enduring faith achieved the success." Rev. "By Resolution of Congress of the United States, March 2, 1867," with complimentary inscription on his energy in persisting until successful in establishing telegraphic communication between the United States and Europe. A very beautiful medal 64
